*I am a versatile editor with an impressive portfolio of work. Editing shows for prime-time television on all the major networks, a range of brand-new series or well-established formatted programs. As an experienced and passionate editor, I bring imagination and a creative flare to every genre. I review rushes quickly and efficiently and enjoy crafting compelling stories and captivating the audience. My passion is in documentary and drama as both disciplines share the skill of creating narrative though powerful emotion and story. I approach every task with vigor and a positive attitude. I enjoy working through the material independently or bouncing ideas and implementing suggestions.*
