

MICHAEL HAMILL

CONTACT

 MEHAMILL@YAHOO.CO.UK

Versatile and reliable carpenter / standby carpenter / set builder with 30+ years success in set construction for film, television and live productions and events. Skilled in leading build teams, coordinating complex projects and delivering high-quality sets to meet creative briefs, subject to tight deadlines and budget constraints.

Strong understanding of production workflows, on-set protocols and safety regulations. Valued for a proactive, hands-on approach, clear communication and effective problem-solving that supports directors, production designers and art departments in achieving their creative vision and technical goals.
