With a proven track record as a Location Manager, I bring enthusiasm, diligence, and a strong work ethic to every project. Skilled in both independent work and collaborative team environments, I thrive under pressure, maintaining clarity of mind to swiftly navigate challenging situations. My experience spans diverse settings, from remote locations to bustling city centres and historic manor houses, managing tight deadlines while adhering to budget constraints.

I excel at fostering positive relationships with both crew members and location owners and finding creative ways to service the locations. I am very experienced at dealing with the public and removing obstacles, so the crew can keep filming. With extensive knowledge of the South West & South Wales regions, coupled with a robust network of industry contacts and suppliers, I am committed to delivering exceptional results on every assignment.

Additionally, I have undertaken specialized training including Risk Management of Productions, BBC Safe Design & Set Construction, and Screenskills Guiding Principles of Departmental Budgeting, complemented by certifications in driving various vehicles and operating equipment essential for production environments cherry pickers, scissor lifts and HGV class 2. My ultimate focus is on delivering excellence in every aspect of my work.
