Awareness on Production Training

Personal Statement

Showreel: <https://ellieimagines.wordpress.com>

I am an enthusiastic and proactive film graduate with a passion for camera. My experience on professional shoots and my time as a lifeguard has prepared me for fast-paced environments. I am well practiced in delivering an excellent standard of hospitality having worked for 3+ years in the hospitality industry. I am well organised, a team player, and I am able to follow directions very well, but equally excellent at using my own initiative.
