## **Professional Profile**

An **experienced** writer, producer and director working in drama film, corporate video and music promos. Strong self-starter skills and a demonstrable track record in film production. Excellent **interpersonal skills** and pragmatic approach to problem solving. I am able to take a production from initial concept through all stages of production to delivery. I am currently seeking new production challenges which utilise my **creative skill-set** and friendly, **professional** level.

---
