Profile:

I have a 2.1 FDa in Film and Television production. I have a particular interest in the technical and hardware aspects of film making. I have worked in varying roles on independent shorts and promos in addition to having experience as a camera trainee on local dramas such as 'Our Zoo' and 'Scott and Bailey'. I have also worked on about forty local short films and music videos in roles such as camera assistant. I am enthusiastic and motivated, and I am extremely eager to learn. I have a car and am happy to find my own transport and accommodation where necessary.

Key Skills and Experience:

- Completed skillset camera trainee course
- Full, clean UK drivers licence
- Flexible and happy to move around the country where required
- Helpful and polite
