Profile

I am a keen and conscientious person, always willing to learn new skills. My integrity and diplomacy have proved invaluable to former employers.

Key Skills

Safety Conscious: Fully understand, and comply with Health and Safety regulations and any other legal or company requirements and procedures.

Communication: Able to express myself clearly and confidentially orally and in writing.

Flexibility: Adept successfully to changing situations and environments, including working away from home on long assignments.

Team Work: Able to work confidently within any group.

Planning and Time Management: Prepare and prioritise my schedules in advance making provision for unexpected events.
