Skills

I'm hard working and reliable

Good people Skills

Handy with good Mac skills /PC (If needed)

Good shop floor skills & knowing how to work tills.

Can Flair a bit

Experienced in using Final Cut Studio 3, Final Cut Pro X Adobe after effects CS5

I am an experienced and enthusiastic Cinematographer who has worked on short films, feature films, trailers, music videos, live gigs and various corporate projects.

I have shot with 17 - 85mm 35mm, 50mm 210mm, 70 - 300mm HD, HDV and SD production formats and have used and understand various tapeless work flows and post production processes

Hobbies

My hobbies are I love films if its editing or even just watching them, playing basketball and I also collect objects from films like lord of the rings swords to movie clips.
