Curriculum Vitae

Lighting Department (Gaffer/Spark)

// Personal Statement

I have been professionally active since 2010, in fields such as Photography and Cinematography. I've worked with various Directors, DoPs and gaffers across most of the lighting department. With a degree in Photography and as of recently a Cinematography graduate (May 2015), I've spent a few years working with lighting creatively as well as practically. On set I always maintain a positive attitude and an open ear with my strongest point being problem solving. Though I aim to shoot, I am on set to support the DoP and his vision.

// Key Skills

Thorough experience in a variety of cameras including.

- DSLR/ C300/ Sony F5, FS700, A7II, A7S/ ALEXA/ RED EPIC / ARRI 16mm (SRII/ SRIII /416)

Experience rigging and repairing various light fixtures;
China Balls, DIY battons, 1K, 2K - 18Ks Tungsten and HMI lamps,
Fluorescents, LEDs, Kinos
