PERSONAL STATEMENT

I am looking for a role in the costume department. In 2012 I recieved a degree in BA (Hons) Entertainment Design Crafts at Cleveland College of Art and Design. During my time there I specialised in costume design and construction. I worked at a dressmakers for two years after leaving university. This experience was very beneficial during my time in the workrooms on *Beowulf:Return to the Sheildlands*. I am a good team player and I enjoy being on set. I have strong construction work, organising skills and I am very motivated.
