**Mobile: 07710468355 Email: kimbrown675@gmail.com**

As a makeup artist I have worked in both film & television covering all genres; I am able to work in a fast-paced environment and create a wide variety of hair and makeup looks and am fully capable of ensuring continuity throughout the shoot due to my many years of experience looking after both main cast and supporting artists on set. I am trained to NVQ Level 2 in hairdressing and barbering and enjoy utilising my skillset to contribute to establishing looks on cast. I am also experienced and able to work with and apply both wigs and prosthetics. I am also well trained and experienced in working with a wide variety of different skin tones and hair types.
