E margot@oldhallfilms.com

Stretford, Manchester

I have worked on a variety of productions, from adverts and music videos to shorts and feature films. I'm perfectly suited to production, being a valuable part of any team and helping find solutions to seemingly unsolvable problems. Working in film is what I want to do for the rest of my career and I value each and every job I do. When I'm not at work I volunteer part time at an animal sanctuary, because I think animals are top.
