INTERESTS

Fitness – I enjoy yoga and meditate regularly. Birdwatching is a longstanding love of mine, getting out into countryside or to the coast. I collect vintage clothing, accessories and jewellery, visit fairs and charity shops when I can. The furthest I have travelled is to The Manhattan Vintage Expo in New York, which was fabulous! I really hope I can do so again! Lockdown has re started my passion for reading. Cosy crime & mysteries being the material of choice. I have also just joined Honley Village Community Trust as a volunteer helping plan a 30 year celebration due in 2023.
