

Skyfly Video Limited Overview:

Company Structure:

There are 4 shareholders with equal shareholdings in the company. Michael James Thompson and Marcus Monsell are the company directors and Michael Charles Thompson and John Monsell are non-executive directors. Company directors work full time – despite both directors being fully qualified, Michael is the pilot and Marcus is the camera operator. This works to the best of the abilities as Michael has more experience in aviation and flying and Marcus has more experience working with camera equipment.
