PROFILE

I am a First Class BA (Hons) Film Production graduate currently working between the UK and Malta within the Assistant Direction and Production departments pursuing a career as a 1st Assistant Director. I have demonstrated an aptitude for problem solving and working under pressure. I have experience within film development and production, working as a Production Assistant, Personal Assistant, 1st and 2nd AD and Runner on feature films, short films, live events and music videos. I take pride in my organisational skills and time keeping. I am extremely computer literate and have developed a professional manner in correspondence whether it is by phone or by email. I have the ability to create well-structured documents and I have carried out a variety of different admin based roles throughout my employment history. My experience also includes PR and Social Media campaigns, database and website development and events management.
