## Profile

I have worked as a wardrobe assistant, a dresser, a props and wardrobe mistress and a costume maker.

I can use a sewing machine and an over locker both domestic and industrial and have had compliments on my hand sewing. I can also make patterns. I work well under pressure, I'm flexible with hours and quick to pick up new things. I am a hands on person that is keen to expand my range of skills.

I also have experience in Building sets, LX rigging, get ins and get outs, follow spot and flying. I am very flexible in regards to working hours, I can drive and I'm willing to travel.
