Personal Profile

I have worked as a costume maker, wardrobe assistant, and a dresser.

I am capable of stay in calm while working under pressure and deadlines

I can use a sewing machine and an overlocker both domestic and industrial and have had compliments on my hand sewing. I also have experience with pattern, drafting and cutting, pattern adapting, maintenance and alterations, etc. in a studio or with a cooperative projects. I've gained a lot of experience working with Midnight costume services working on projects that range from period costumes, theatrical costumes, circus ,dance shows, cruises and films. Experience in filming and fashion show as a dresser and costume assistant.

I am very flexible in regards to working hours.
