RICHARD HINES

CAMERA OPERATOR

I have over 12 years professional experience operating main camera on various high-end prime time dramas and well established continuing drama.

I have an excellent understanding of blocking and camera movement, always making sure to service the script and stay true to the director's vision.

I am a friendly and accommodating operator, who makes artist feel at ease, allowing them to perform at their best, and also work well as a team with my grips and focus pullers to ensure a truly collaborative process.
