I am a Costume & Prop Designer & Maker with over ten years' experience working in TV, film, theatre & live events. I have run costume departments on productions both large & small, as well as international shows & several award-winning productions. I am a very organised person with excellent people skills, effective at budget management & am great at dealing with unexpected issues quickly and efficiently. I am a friendly person who keeps their sense of humour under pressure & have built up good relationships with my clients over the years, going on to work with many of the same companies over several projects.

KEY SKILLS

- Costume & prop design
