To whom it may concern,

Please find enclosed my CV.

I have graduated from the Christine Blundell Make-up Academy, where I studied make-up artistry, hairdressing and wig-dressing.

Since completing my course, I have gained as much experience within the creative industry as possible. I will very much appreciate if you would consider me for any role that you may have available within the hair and make-up department.

Many Thanks,

Ellie Jarrett

**Hobbies and Interests**

I have been a part time lifeguard for 2 years, meaning I am trained in CPR and first aid, which I feel are life skills suitable for any career choice. I love to keep fit, and swimming is a sport I really enjoy, as well as going to my local gym. I love travelling and have been very lucky to travel to many different places with my family and friends.
