### Personal Statement

---

I am a recent graduate of the University of the West of England (Bristol), achieving a First-class honours degree in 'Filmmaking and Creative Media'. I have a special interest in film production, and received the award of University Best Film Producer of the Year 2016. Through my studies and associated interests I have developed many skills including screenplay writing, directing, producing, camera and sound recording and editing, and have a particular interest in production management and producing. I am based in Bristol but am very willing to travel and also have a base in London. I have a full clean driving licence as well my own car.

### Voluntary Work

---

- |               |   |
|---------------|---|
| 2014- Present | <b>Samaritans Listening Volunteer-</b> I have been a regular volunteer for Samaritans over past 2 years. I talk to and emotionally support every caller who phones, emails or visits the Samaritans branch. The work requires me to be patient and have a natural ability to listen and remain open-minded and non-judgemental. I am also able to respect the confidentiality of the conversations I have at all times. |
| 2012-2013     | <b>Knowle West Media Centre-</b> For 6 months I volunteered on a regular basis at Knowle West Media Centre in Bristol, where I took children of all ages to events held around the Bristol area and gave them guidance on film techniques. I also assisted young songwriters on every aspect of producing videos of their own music.  |
