Personal Statement

I am an enthusiastic, ambitious, and motivated individual who has recently graduated from the University of Warwick with a degree in Film and Literature. As well as the extensive theoretical knowledge I have learnt from this course, I have practical experience in all aspects of the film production process, with a particular interest in directing and editing.

Key Skills

- Quick to learn new skills, and can work well both individually and as part of a team
- Adaptable and efficient in pressured environments, with good, proven leadership qualities
- Excellent communication skills, both written and verbal
- Responsible and organised, and always prepared to take on new challenges
- Highly proficient in video editing and graphic design, using Adobe Premiere Pro, After Effects, Photoshop, and very experienced with on-set equipment (cameras, rigs, lighting)
