

PAOLO FRANCIAMORE

Freelance Filmmaker | Camera Trainee
Spark | Grip

PROFILE

I'm a passionate and dedicated filmmaker with a strong sense of professionalism and can-do attitude. Natural problem solver; always looking to achieve the best outcome possible. Confident to work in small and large teams with previous management experience outside the industry.

- 0 points
- Own transport
- Able to drive a 3.5 tonne van
- Valid UK Passport

About

I'm a recent BA graduate of Manchester School of Art in June 18, in which I specialised in lighting and cinematography. Since graduating I have worked freelance on a variety of short films, music videos, documentaries and corporate videos for both online and film festival distribution. I have also been shooting and directing showreel scenes for actors as well as lifestyle photography. I am looking to build on this with further opportunities within camera department, lighting or as grip.

Education

BA Hons | Filmmaking | Manchester School of Art,
Manchester Metropolitan University.

HE Access Diploma | Photography | The Manchester
College of Technology
