## Profile

I am a professional UK sound recordist based in Yorkshire. I have years of experience as a Location Sound Recordist and Production Sound Mixer in the Film, TV and Media industry, working across the UK. I am experienced in Broadcast TV production, feature & short films, commercials, documentaries, corporates and online content. Please see below for my kit list and latest credits.

## Standard Kit Package

The most popular sound-recording kit I offer for most shooting scenarios such as ENG, PSC, corporates and some commercials and films. Package is adjustable for long-term productions.

- **10-Track Sound Mixer/Recorder** | Sound Devices MixPre 10 ii w/ Timecode
- **Shotgun Mic w/ Boom** | Sennheiser 416 Shotgun Mic w/ blimp windshield + 3.45m Boom Pole
- **2x Radio Mics** | 2x High Quality Radio Transmitters (Audio Ltd A10s) + 2x DPA 4071 Lav Mics
- **Timecode Sync** | 1x timecode sync box for camera + cable(s)
- **Accessories** | XLR cables + Camera-Tails + Boom Stand + Lav Mic clips & stickies + Radio Transmitter Body Straps + Rechargeable-Batteries

**\*\*Please get in touch for package cost details\*\***

## Additional Kit

Additional kit is available from my collection which may be useful for shoots requiring more than x2 radio mics or for more complex shooting scenarios.

- **Additional Radio Mics** | Audio Ltd A10 Transmitters **OR** Sennheiser G3s + DPA or Sanken Lav Mic(s)
- **Timecode Facilities** | Tentacle Timecode Box(es) w/ cables for: BNC, 4-pin lemo or 5-pin lemo TC camera input
- **Microphones** | Variety of microphones available for all kinds of scenarios
- **Wireless Feed-To-Camera** | Radio sets available for sending wireless audio feeds to camera *(dependent on camera make/model and input options)*
- **Monitoring** | Sennheiser IEM Receivers + headphones – Available for crew monitoring of sound, e.g. Director, Boom Op, Client and other crew.
- **Accessories** | Variety of accessories available including; sound mixer cart, small portable recorders, batteries, cables, mic stands, boom poles, etc
- **Media Storage** | SD cards are available for clients who wish to keep a copy of sound files on an SD card

**\*\*Please get in touch to discuss costs of additional items\*\***
