markjones487@me.com

I have been a Location Manager since leaving the army 1996, working on over 120 productions, mainly TV commercials but also major features, dramas, corporate films and music videos. I also shoot stills for various clients. I was a co-founder of Salt [www.saltfilm.com](http://www.saltfilm.com) in 2002. I have shot in Malaysia, Cuba, Canadian High Arctic, India, China, Vietnam, France, South Africa, Malawi, Kenya, Cyprus and all over the UK. From 2008-2011 I was based in Blantyre, Malawi. Whilst there, I worked mainly as a multimedia photographer in Malawi, South Africa and China. I moved back to the UK in July 2011. To follow are my Location Manager credits.
