North West Based

Over 25 years old with own transport

Personal Summary

Dependable and flexible with indie filmmaking experiences that is looking to work my way up in the industry as a production runner.

Never shy away to get involved and help out. This makes me confident and proactive, and I will do what I can to contribute my working experience and knowledge to the production's success.

I have a clean driving license with my own car, an enhanced DBS certificate, and I am ready when you are.
