

RORY GARDNER

About

I'm studying at Bucks New University BA Film and TV Production. I have a strong passion for film and television and am currently seeking positions related to this that will add to the practical experience I already have as well as underpin my studies.

TV and Film Experience

A variety of job experience to demonstrate the range of skills and knowledge I can use in the industry.

Director and Producer 2017
Women of the West End.

Directed and Produced "Women of the Westend" Documentary, as well as recording panels for Play Fair campaign.

Football Camera Operator 2017
Bucks New University

Football Outside broadcasting - Bucks New University
March 4th '17 Camera Operator Camera 3 operator for the 18yard line and camera 6 High behind goal. This required preprofessional set up of camera and quality of shots through out the game.

Runner 2014
ENVY POST

Taking orders for refreshments by phone for clients and delivering them to the editing suites. Also shadowing people who are editing TV programmes, including audio, grading, online and VFX.

In-house videographer and teacher. 2014 -16

Shoot Me Photography studio, Berkhamsted.
Producing all video content for the studio and clients.
Teaching filmmaking classes.

Education

2015-18

Bucks New University
Film and TV production, High Wycombe, United Kingdom.

The degree taught us all about film and tv production with modules in theory too. My chosen module of Art and music made me explore creative production techniques. As well as that I took part in Outside broadcasting lectures as I was interested learning all aspects of Film and TV production.

Skills

Directing	Producing	DOP
Camera Operating	Editing Prem Pro	Editing After effects
Scriptwriting	Gibs/Glidecam	OB Equipment/set
