Profile:

I am a fast thinking, commercially aware, sound recordist enjoying a proven track record of delivering projects, and managing clients. I have worked on many projects with lavish budgets and on some with none at all. Either way I have always achieved excellent results, and my clients are always happy. My approach to work is light hearted yet professional. I have the latest sound equipment which is constantly improving and expanding. I have shot on all HD formats (XD, P2, SxS, DSLR), Red Cam, Arri Amira/Alexa, standard definition and 16mm film.
