## **Personal Statement**

I am a graduate with a **Degree in the History of Art and Film Studies**, an **HND in Media (Moving Image)** and a **NVQ in Business and Administration**. I have successfully used the skills which I acquired from these qualifications in my roles as a **Location Marshall** on Transformers: The Last Knight, **Production Assistant** on 24:25 Film's horror feature Vampires and as a **Media Assistant** with CSV in Blyth. Although I currently work in customer service, I have endeavoured to keep up my media skills, teaching myself to use **Photoshop Elements** and edit home videos using **Adobe Premiere**, with the aspiration to use these skills in a **pre or post production role**.
