PROFILE

I have a background in theatre, but with a love of fine detail and creative problem solving, Film and TV is where I really want to start a career. I am especially interested in period costuming, and enjoy working on set and on the truck.

SKILLS

- Competent at sewing, alterations and repairs
- Competent at continuity including Sync on Set software
- Principal standby experience
- Lining up
- Assisting with fittings
- Working well within a team and communicating
- Problem solving
