## PROFILE

I am a highly motivated, versatile individual who works well in a team or independently. I have excellent communication skills allowing me to understand and deliver a professional service and I am able to understand and translate creative changes quickly and with minimal disruption. In the past 7 years I have developed a respectful and professional manner dealing and listening to clients and a passion to continue to learn, perfect and grow with everything I do.

I am a qualified Hairdresser with an NVQ Level 2 Diploma. I have recently completed training as a Hair & Makeup artist under the Guidance of Peter Swords King and previous to this completed a BTEC Extended Diploma in Production Arts achieving the highest grades possible.

Whilst studying I have gained experience on numerous projects both big and small. I am a keen reader and love travelling abroad, trying new food and experiences and pride myself as having a great can-do attitude, loving a challenge and thinking outside the box.
