### July 2017-Present

#### Job Title: Retail Makeup Artist, MAC Cosmetics: Selfridges, Trafford Centre

I work part time at MAC Cosmetics and I am MAC certified. I apply makeup to many customers using a range of products on various skin types and ethnicities. I have developed my skills and knowledge of makeup application and continue to learn new techniques every day. It is very much a customer-focused role, providing a 5\* service to my clients by having excellent communication skills, being professional at all times and providing customers with in-depth advice and knowledge about makeup and makeup application.
