Personal Profile: I'm a confident, enthusiastic and approachable individual that has the ability to communicate with people at all levels. An abundance of transferable skills including, 18 years of make up artistry experience, with the ability to work with all ethnicities and ages, specializing in Afro Caribbean skin and natural afro hairstyles. I am a strong communicator, with excellent leadership, performance management and problem solving skills. I am motivated with a sense of humor and a flexible attitude and feel comfortable working in all environments.

Objective: I am part of a cohort of people who have been chosen by Creative Skillset as part of their High End TV Drama Trainee Finder Scheme for 2018/2019. I am seeking to find any opportunities that allow me to enhance the skills that I already possess and to develop new ones in the creative, TV, Film and Media industry.
