ABOUT ME

Edward Massey is a British Cinematographer, 1st AC and photographer.

His career in the film industry started in 2013 after university where he became a producer/director at Grokker, making cooking, yoga, and fitness videos.

After 3 years, he decided to take the leap to film school, and attended SF Film School's 1 year filmmaking program, writing and directing 5 projects, and working on countless others.

Edward's positivity, good humour, and hard work makes him a great asset on set.
