# AYMERIC NICOLET - Script Supervisor

Leeds | M: 07842-847-015 | aymericjinnicolet@gmail.com

I am Swiss filmmaker with experience in directing and editing working on short films, music videos and live events since 2012. Meticulous and observing, I grew a natural interest for the role of Script Supervisor during my studies at the Northern Film School. Due to my experience as a director and an editor, I have a good understanding of what both sides can expect from a Script Supervisor, and I have perfected an eye for continuity working on multiple short films over the years.
