UK Full time work permit

I have extensive and varied experience as a costume assistant, costume supervisor and Costume Designer across a range of films, television productions and commercials.

I have expertise in script breakdown, sketching ideas, budget management, research materials, continuity, leading a group. In addition, I can make costumes from scratch, including structural pieces and complex designs and dyeing garments.

I am very passionate, hardworking and with a can-do attitude and I believe I could make a positive contribution to any team. I am also confident and ambitious with strong analytical and interpersonal skills, an excellent academic record and fluency in both English and Spanish.
