About myself

I am reliable, trustworthy and have a good sense of humour.
The safety of children is my prime concern and encouraging and reassuring them that they are doing a good job is my second. Also entertaining them in down time to ensure they enjoy their day.
I am bilingual in French and English and so can tutor the children, and have been a French language tutor previously.
I have 2 children in their late 20's and 3 grandchildren, all of whom are in the entertainment industry. I regularly take my grandchildren to jobs, and due to the high volume of film, TV, and commercial work they do, know a lot about the industry and of what is expected of me as a chaperone.
Willing to travel abroad. Available every day and at short notice!
