Production Sound Mixer

Mobile: +44 7836784378 Email: catkinson59@gmail.com

Working as a sound recordist for over 30 years within several disciplines including: TV Drama, film and documentaries, I have gained vast experience in working in a high-pressured and fast-paced environment. It has always been a priority of mine to capture artists' original dialogue, reducing the need for ADR and enhancing the sincerity of their performances.

Full drama sound kit available including: multi-track hard-disk recorder, up to 6 radio microphones, 2 booms using Sennheiser and Sanken shotgun microphones, playback system, up to 6 in ear monitoring receivers for production/director, fully equipped sound van.
