

Cassandra Clarkson- Floor Runner

Mobile: 07393 282 131 **Email:** Cassieclarkson1@gmail.com **Based:** Liverpool and Manchester

Full Clean UK Driving License

I am highly motivated, passionate and enthusiastic about working within HETV and Film as a Floor Runner. I am looking for new opportunities to progress having previously worked as a supporting artist, so have a good understanding of how a set works and set etiquette.

The Mind's Eye	The National Youth Film Academy	1 st AD	August 2018

Training

Hurricane Films-Date: November 2019- present

I am currently a trainee at Hurricane Films in Liverpool. My daily tasks include reading unsolicited scripts and writing script reports and helping the producers/ directors of the company with small tasks.

BBC Working with Children Online Course -Date: 21st October 2019

I have completed the BBC working with children online training course. This course included the BBC code of conduct, rules on chaperones and laws of how to keep children happy and safe on set.

Screen Skills Runner Ready Course -Date: February 21st- February 24th 2019

I took part in a 4-day runner ready course which was funded by Screen Skills. On the course I learnt about the skills needed to be a runner, set etiquette and the on-set environment.

The National Youth Film Academy- Date: 20th August- 31st August 2018

Course: The National Youth Film Academy 2018 summer course

I took part in the National Youth Film Academy summer course 2018 in London. On the course I worked with young film makers from all over the UK to create a 10-minute short film. My role on the project was 1st Assistant director. I learnt from industry professionals on this course and about the roles and responsibilities of the 1st Assistant director.

Education

The Yorkshire Academy of Film and Television Acting- Date: October 2018- July 2019

Course: Film and Television Production Diploma.

I studied the part time Film and Television Production Diploma at the Yorkshire Academy of Film and Television Acting. This course has taught me about all aspects of production including the technical, practical, circumstantial and realistic.
