Production Secretary

Yorkshire based but available anywhere.

Profile

I have worked in the Production department on several High-end TV drama series. As well as other roles in the Covid and Locations teams. This means I have on set and office experience in a fast-moving environment. I am looking to work my way up in the Production Department, gaining as much experience in each role as possible. I have also worked on a farm, so I am willing to get hands on with any task.
