ABOUT ME: I am a happy, social person. I am diligent, always keen to learn and have a good attention to detail. I am also highly creative and practical, with a wide and good knowledge base of camera, grip and lighting roles and equipment. I have worked freelance in the industry over the last 3 years on both blockbuster and independent films, as well as documentaries, music videos, short films and commercials. I have experience in green screen, studio and on location shooting both as a head of department and as a camera assistant and grip on a variety of shoots. I am bilingual in German and English. I am currently looking for opportunities in the documentary sector.
