

# Nicola Presland

## Assistant Art Director

nicola.presland@hotmail.com

| 07922 130961

| North West UK

### PERSONAL OBJECTIVE

I am looking to develop my skills within the art department. I am a hard working, bubbly and confident individual, who is able to visualise concepts and develop her own ideas. I enjoy working closely with others and improving my design and creative skills.

### EDUCATION

#### 2011-2014 University of Liverpool, England - BA Hons, Architecture 2:1

- Key skills of AutoCAD, Google SketchUp and Adobe Photoshop combined with knowledge of Kerkythea and Illustrator.
- Experienced hand and digital modelling skills using a variety of materials.

#### 2008-2010 East Norfolk College, A Levels: Sociology A\*, Maths A\* and 3D Design B

### FILM AND TELEVISION WORK

#### Assistant Art Director, BBC Studios, Time

March 2020 - Dec 2020

I've worked closely with the Art Director draughting and surveying locations, as well as helping digitally produce construction drawings/models and dressing a prison set in Shrewsbury for 6 weeks.

#### Assistant Art Director, New Pictures, DES

October 2019 - January 2020

As a step up to Assistant Art Director, the role was much more challenging with a lot more pressure, I learnt so much and developed my communication and design skills even further.

#### Art Department Assistant, Red Production Company, Traces

April 2019 - August 2019

My knowledge expanded and I found it easier to anticipate the jobs that need doing before needing to be asked, a busy and eventful role, which I found exciting and rewarding.

#### Art Department Assistant, Red Production Company, Years and Years

Sept 2018 - March 2019

In my first role in the industry, I was able to try everything from running props to set and making teas, to helping with the design drawings and models alongside the Art Director and Designer.

### OTHER RELEVANT WORK EXPERIENCE

#### Architectural Assistant, Fletcher Rae Architects, Manchester

August 2015 - July 2016

I worked for twelve months at a practice in Manchester on projects all over the UK, developing my team working skills, self-confidence and ability to engage in group projects as well as work independently on smaller projects.

### ADDITIONAL SKILLS AND INTERESTS

**Architectural Modelling** I began drawing up plans and making models from a very young age and have always loved building houses and buildings out of all sorts of materials.

**Computer Skills** Proficient in Adobe Photoshop, Google SketchUp, AutoCAD and Office Programs.

**FULL CLEAN DRIVING LICENCE AND OWN CAR**
