D.O.B: 11th April 1999

Professional Profile:

I am proactive, enthusiastic and hardworking person, who is passionate about the film industry. I am able to perform within a team and as an individual. I am also self-motivated and helpful. I am able to meet tight deadlines and be a confident communicator. I always give 100% to my duties and strive to improve myself and increase my capabilities wherever possible. It is important to me that I work consistently in both a professional and respectful manner as well as paying particular attention to detail.

Objective:

I am looking for a new challenging position, one that will make the best use of my existing skills and to gain new skills. I am currently studying at Arts University Bournemouth so I am looking for an opportunity that will give me the valuable skills and experience I will need for my future career. I am willing to complete any training required and very much look forward to making a valuable contribution to and for my next employer.

Production experience

As for my production experience I have worked on the set of the BBC drama The A word in July 2017. Here I got my first experience of being on set and enrolling the jobs of a floor runner. I also had the opportunity to work in the production office helping out with meetings and daily duties around the office. I very much enjoyed this experience as it was an eye opener to which it made me realise that the TV and film industry is where I want to build my career. Now I go to Arts University Bournemouth to learn film production. All I need is more experience in the industry and I'm eager to jump right into it. I'm willing to take on any role in the industry just to get my foot in the door and experience in the industry first hand.

Awards/Volunteering work:

I won the Jack Petchey award in April 2014 for raising funds for the charity Little Havens and also ran in Sport Relief in 2014 raising funds.

I volunteered at my local library to help the community in the summer of 2014. And also contributed in the NCS (National Citizen Service) in the summer 2015. In school I was chosen to be a Prefect and was nominated by peers to be Games Captain representative of my school. Also, I was involved in prom and yearbook committee.

Education:

Previous school: St. Martins School – Brentwood

6 GCSE's –including Math's and English (2010-2015)
South Essex College studying Level 3 Diploma in Animation.
