

Rebecca Hannant

Mobile: 07494082528 Email: rebecca.hannant1997@gmail.com

I have significant production and journalistic experience through various industry placements and projects; including writing reports and engaging in live on-air radio discussions for the BBC, and local documentary filmmaking. I have a range of technical and creative skills; including video and sound recording, article writing, researching, and editing. I am currently seeking entry-level placements to start my career in television.

Key Skills

- Full Clean UK Drivers Licence with my own car.
- Competent use of digital equipment for radio, television, and print, with significant experience.
- Good communication skills.
- Computer literate with a good knowledge of Adobe packages, Myriad, Microsoft Office and Autodesk Maya.
- Ability to shoot and edit on-demand and have my own camera and editing software.
