Personal Profile

I have **completed a Bachelor of Arts, Film & TV Production** and I am now looking to secure an entry-level role in the Film and TV industry. Ready to help the team achieve company goals. I am seeking opportunities to build on passion and knowledge for Film and TV as well as being highly motivated to achieve results in pressured, deadline-driven environment. I can learn quickly and can take directions well to complete tasks following instructions. I am an aspiring Videographer, Camera Operator and Editor with high standards and committed work ethic and seek opportunity in a creative team setting.
