EXPERIENCE

[Videographer - 'Is Three a Crowd? - @madebymilletti - 2024](#)

Collaborated with the director to plan and select the camera, lenses, and shot types, ensuring the visual style matched the film's vision. Operated the camera on set, executing shots and making adjustments as needed on set

[Videographer and Photographer Pr.odings Leeds - 2023](#)

Shot a variety of stills and motion content, worked with marketing for social media videos, kept to strict production timelines, ensured high-quality results, technical setup and teamwork

[Videographer and Editor Dez Rocksteady Leeds - 2022-2023](#)

Served as project lead on music video projects, trimmed footage and created sequences to promote the overall narrative, captured precise look and feel to match brand guidelines and used DaVinci to edit, order and manipulate footage to create the desired effects.

[Real Estate Videographer Stonehouse Properties Leeds - 2022-2023](#)

Collaborated with the marketing team to plan video content for social media, used drones to capture the buildings, planned, filmed and edited video content to match brief requirements and prepared equipment needed to conduct shoots

[Videographer and Editor Unilink Leeds 2022-2023](#)

Planned, filmed and edited video content to match brief requirements, crafted high-quality storyboards, scripts and film plans, trimmed footage and created sequences to promote the overall narrative and balanced the director's artistic vision with time and budget constraints throughout the editing
