INDUSTRY EXPERIENCE

Trainee Prop Hand (Work Placement)
Coronation Street, Manchester
June 2022

A 4 day, paid work placement within the props department at Coronation Street. This placement allowed a hands-on opportunity to experience the roles within the department, and learn about the television filming process.

RELEVANT EXPERIENCE

Scenic Construction & Installation Specialist
Alton Towers Resort, Staffordshire
March 2022- Present (permanent)
April 2021 - December 2021 (fixed term)

Working in a small team to deliver scenic elements for the resort's year-round shows and large-scale seasonal events. The role includes the creation, maintenance and dressing of props and scenic pieces, as well as the installation and striking of event theming. As of March 2025 the role has been expanded to include the creation and maintenance of attraction and resort theming.

Set & Prop Maker
BeWILDerwood, Norfolk
July 2018 - January 2021

Constructing, installing and dressing theming elements for BeWILDerwood children's adventure parks.
