## credits

**DEAD HOT, Graphics Assistant**  
QUAY STREET PRODUCTIONS JUN 2023 - AUG 2023

## relevant experience

### Junior Designer

EXPERIENCE EVENTS JUN 2021 - MAY 2023

- Working on location produce visually stunning events; Experienced in developing client facing decks; Producing 3D scamps; Collaborating with printers for large scale pieces.
- Responsible for artworking files and developing creative spatial ideas for events for both in-person and virtual.
- Worked onsite with the AV teams and event producers to deliver awards shows, conferences and graduated recruitment experiences for large brands.

### Freelance Designer

BLOSSOM & EASEL MAY 2018 - JUN 2021

- Developed the visuals for this small brand since the beginning. Designed the branding; Illustrated multiple commissions for products; Created a 25-page wholesale catalogue for retailers.
- Designed the props and graphics for a small scale 'John Lewis' style Christmas advert.

### Graphic Design Intern

INQUISITIVE TYPE AUG - SEPT 2020

- Designed the format for a free bookmark sized magazine for independent writers, named TYPE! Along side this I created the website, social media posts, presentation slides, and product photography.
- Organised image libraries; created podcast cover art; designed social media images; pitched original creative work; developed decks for a variety of needs.
