Skills

**Illustrator | Photoshop | SketchUp | Sewing | Set construction/design | Technical drafting
Photography | Sound design/recording | Model making | Cash Handling | Driving Licence**

I am a Brighton/London based 2020 graduate of the Northern Film School, specialising in Production Design achieving a First Class Hons. During my degree I worked on numerous BA and MA projects, some have showcased and won awards at Film Festivals. I also developed my professional experience working externally as an Art Department Assistant.

I am imaginative, inventive and dedicated, always looking for solutions in creative environments. I enjoy hands on experience, designing, building and creating three dimensional spaces, history and research are also areas of great interest. I can balance numerous competing priorities and work effectively in fast paced, high pressured situations. Currently, I am looking for a position within the Props Department to continue improving and developing my skill set at the start of my career.
