Personal Statement

I am a self-motivated individual that strives to achieve the best potential standards in my job by seeking out tasks that will challenge me and provide me with valuable experience. I am an outgoing positive person who considers myself to be very creative who loves exploring and experiencing new things. I am highly adaptable at picking up new abilities and to enhance my current skillset to achieve the task at hand. I am able to work in both group and one-on-one tasks, either taking the lead or helping those with both problem solving and decision making.
